Subject:- Sri Amirthes wareswary and Sri Lalitheswareswary temples at Amur, Nasturé Hobli, Chickmagalur Taluk - Repairs to the temples - utilising the amount realised from the sale of the loan bonds held by the temples for the work - sanction sought for -

---

Sir,

I have the honour to forward herewith, copies of the marginally noted letters together with the connected records received from the Deputy Commissioner, Kadur District, on the above subject. The Deputy Commissioner has recommended therein that, as the amount at the credit of the institution is not sufficient to meet the cost of the estimates prepared for their repairs, the conversion loan bonds of the value of Rs. 1/- each

* letter No.F.C.144/43 dated 12- -43 } held by the temples
- do - " 29-11-43 }
- do - " 4-3-44 } may be ordered to be
- do- - " 17-12- } sold, and the sum

held under investments as reported to represent the cost recovered from the persons responsible for the loss of the temple jewels in the Taluk was duly deposited, but as Government has informed in this office letter No.C.2 15/ dated 20-1- , that the amount has to be set apart only for the replacement of the jewels lost.

In reply, the Deputy Commissioner, reports that the Dharmadarsis of the temple have resolved that the repairs to the temples have to be attended to in preference to the replacement of the jewels, as the temples are in a very dilapidated condition and may come down if neglected further. The Dharmadarsis have therefore, proved that the 4 conversion loan bonds of the value of Rs. 3000/- may be arranged to be sold and the work taken up.

This request of the Dharmadarsis has been supported by the local officers and the Deputy Commissioner.

As a sum of Rs.2839/- is required to meet the cost of the estimates, it would be sufficient if bonds to the value of Rs.3000/- are sold to supplement the amount available at the credit of the temples. In the circumstances reported by the Deputy Commissioner, I request that sanction of Government may kindly be obtained to the sale of 4% State Loan Bonds of the above value, viz. Rs.3000/- from out of the bonds held by the temple and the utilization of the proceeds for the proposed repairs.

I have the honour to be,
Sir,
Your most obedient servant,

M. N. Arundalwar.

Repairs to the temple at Anur, Vastara hobli, Chickamagalur Taluk.

--

With reference to your No.C.2813/40-41 dated 26th June 1941, on the above subject, I have the honour to state as follows:-

The Executive Engineer, Kadur Division, Chickmagalur, has sent the marginally noted estimates for the amounts noted against each, for the above temple with his No.798 dated 14-5-42. The estimates, were sent to the Sub Division Officer Chickmagalur, for reporting the ways and means of meeting the cost of the estimates.

Estimates for urgent repairs to
1. Amritheswaraswami temple at Anur for Rs.1788/-.
2. Billeswaraswami temple at Anur for Rs.585/-.

The Amildar, Chickmagalur, reports that the Institution holds the marginally*noted investments and in addition to the interest thereon, the income for the temple is as follows:-

| | | Interest |
|---|---|---|
| * State loan bonus. | Rs.200/- | 9-8-0 |
| Fixed Deposit. | " 200/- | 5-8-0 |
| Charitable Deposit | 3000/- | 119-8-0 |
| Total | 3400/- | 134-8-0 |

| | |
|---|---|
| Income from inam lands | Rs.148-0-0 |
| Malnad Cash grant | 11-5-0 |
| Cash [illegible]. | 34-14-0 |
| Total. | 194-3-0 |

In the two estimates prepared for Rs.1788 and Rs.585 for urgent repairs to Amritheswaraswamy and Billeswaraswami temple, Rs.180/- and Rs.58/- have been provided towards the establishment, tools and plant charges at 10½ %.

The Committee of Dharmadarsis have, at their meeting held on 9-6-1942, resolved that the cost of the estimates may be met out of the invested amounts of the temple and that the works may be taken up early.

In these circumstances, I request that sanction may kindly be accorded for these estimates, the cost being met out of the investments of temple funds.

As these are Muzrai Institutions, the tools and plant charges may be kindly waived.

The entire connected records along with the countersigned estimates are herewith enclosed.

Repairs to the Sri Amritheswaraswami and Billeswaraswami temples at Anur, Vastara Hobli, Chickmagalur Taluk

---

With reference to your letter No.C.2813/40-41 dated 12-8-1942 on the above subject, I have the honour to forward herewith the enclosed file of records received with the Chikmagalur Sub Division Officer's report No.S2.C.898/41 dated 10th November 1942 and to state as follows.

There are no special reasons, other than those already stated

stated that these are Muzrai Institutions, for waiving the tools and plant charges. Regarding the investments, the Sub Division Officer, Chikmagalur, Mxxx reports that a sum of Rs.3,000/- is held by the temple in 4 per cent Mysore Government conversion bonds and not in the Charitable deposits, and it represents the amount recovered from the persons responsible for the loss of the temple jewels in the Taluk Treasury, in the year 1930-31. The Amildar, Chikmagalur, opines that it is not desirable to utilise this amount for the repairs of the temple. There is only a sum of rupees 1,158-7-8 at the credit of the institution and as per sanctioned scale, a total sum of Rs.210/- is required for annual expenditure. It is suggested by the Amildar that the above sum at the credit of the institution less Rs.210/- be utilised for the repairs inaddition to the realisations from the sale of loan bonds for the value of Rs.200/-.

A Total sum of Rs.2,410/- (including tools and plant charges of Rs.227/-) is required to execute the works of the two estimates.

As the amount at the credit of the institution is not sufficient to meet the cost of the two estimates, it is proposed by the Sub Division Officer, Chikmagalur, that the amount of Rs.3,000/- invested in 4 per cent Mysore Government Conversion loan bonds be utilised for the purpose, as opined by the Committee of Dharmadarsis at the meeting held on 3-6-42.

The estimate for the repairs to the Sri Billeswaraswami temple, is duly countersigned for Rs.622/- and a copy of the scale income and expenditure of the temple is enclosed in the records.

Adverting to your letter No.C.2015/40-41 dated 25-7-1942, on the above subject, I have the honour to enclose herewith, the entire file of vernacular records, along with Chikmagalur Sub Division Officer's report No.Sd.C.898-460/41-42 dated 27-7-42, and to state as follows.-

It is reported that the Dharmadarsis have resolved in their meeting held on 27-6-1942, that the devotees of the temples are not in a position to contribute towards the construction of the temple, that it is very desirable that the repairs have to be undertaken to in preference to the jewels, as the temple is in a very dilapidated condition and may come down if neglected further, and that the conversion loan bonds of Rs.3000/- may be utilised to be sold and the work taken up immediately.

Both the Sub Division Officer and the Amildar, Chikmagalur, recommend that the loan bonds ofRs.3000/- may be utilised to be sold, the estimates sanctioned and the works ordered to be taken up early.

The temples were inspected by me on 3-8-43. They are in very bad condition and require urgent repairs as per estimate. The repairs are absolutely necessary. In these circumstances, I request that the conversion loan bonds of the value of Rs.3000/- may be arranged to be sold and the estimates sanctioned early so that the works may be ordered to be taken up immediately.

Letter No. S-C 1305/43-44, dated the 12th February 1944, from the Muzrai Commissioner in Mysore, soliciting sanction to dispose of 4% State Loan Bonds of the value of Rs 2,000/- standing at the credit of the temples of Shri Amriteshwaraswamy and Shri Bellaleshwaraswamy at Anur Village, Vastara Hobli, Chikmagalur Taluk, for carrying out certain urgent repairs to the said temples.

ORDER No. R. 5272-73/

Dated the 8th March 1944.

The D C, Kadur Distt, reports that a sum of Rs 3,000/- being the amount recovered in 1930-31 from the officials of the Taluk Office at Chickmagalur who were responsible for the loss of the jewels belonging

Shri Amriteshwara Swamy and Shri Belleshwara-
Swamy at Anur Village in Chikmagalur
Taluk, which had been kept in safe custody
in the Taluk Treasury, was invested in 4%
Mysore State Loan Bonds and was intended to
be utilised for the replacement of the lost
jewels. He states that as the temple buildings
are in a dilapidated condition requiring urgent repairs,
Officers have, agreeing with the Dharmadarshis of
the institutions, proposed that the Bonds in question
may be disposed off and the proceeds spent on
the renovation of the buildings, and requests sanc-
tion to their proposal. The M.C., however is of the
opinion that as the estimated cost of repairs is
only Rs. 2,269/ it would be enough if Bonds of the
value of Rs. 2,000/- are sold to supplement the funds
at the credit of the institutions, and accordingly
recommends sanction to the sale of the Bonds valued
at Rs. 2,000/- ( two thousand).
